

## **KAKENYA'S DREAM**

FOR KAKENYA NTAIYA

MUSIC BY SARAH LLEWELLYN  
LYRICS BY GAYNOR WINSTANLEY

As golden rays caress red clay  
A new dawn heralds the break of day  
A time of change, a time to choose  
May every sunrise bring good news

Come, come, warrior girl  
Come warrior girl with mind on fire  
You learn and grow and lead  
Come warrior girl with mind on fire  
And know you will succeed

Run, run, warrior girl  
Run warrior girl on feet so swift  
Stand tall, aim high, be bold  
Run, warrior girl  
Run, warrior girl with feet so swift  
A sister's hand to hold

I dream for me  
I dream for you  
Together may our dreams come true  
Time to change, a time to choose  
May every sunrise bring good news

Jump, jump, warrior girl  
Jump, warrior girl, reach for the stars  
Be strong, be proud, believe  
Jump, warrior, jump  
Jump, warrior, jump  
Jump, warrior, jump, warrior  
Jump, warrior girl  
Reach for the stars  
Be strong, be proud, believe  
And know you will achieve  
Jump, jump, warrior girl
