

## **GRATEFUL**

FOR SHIVIKA SINHA

MUSIC BY ROSABELLA GREGORY  
LYRICS BY DINA SORAYA GREGORY

### **VERSE**

When I was young  
And my window on the world  
Was as shifting as a bottle  
Drifting oceans with the tide  
Stories were free  
From the mountains to the fields  
Ever growing all around me  
To be watered, to be known

Heroes come in many sizes  
Life is littered with surprises  
Now I find

### **CHORUS**

I'm grateful  
Grateful for the winds that sent me  
I'm thankful  
Thankful for the lens it lent me  
We are one  
Falling like the rain  
Different and the same  
And always falling

### **VERSE**

When I was sick  
In a body under siege  
Without motion, in delirium  
On the brink of giving in  
Time was a friend  
With the patience of a saint  
Barely passing so the healing  
Would be lasting, would be whole  
Until I could see that

Changes happen for a reason  
Lessons come with every season  
Now I find

### **CHORUS**

I'm grateful  
Grateful for the pain that filled me  
I'm thankful  
Thankful for what didn't kill me  
We are one  
Falling like the rain  
Different and the same  
And always falling

I'm grateful  
Grateful for the tears that bathed me  
I'm thankful  
Thankful for the call that saved me  
We are one  
Falling like the rain  
Different and the same  
And always falling on our faces

I'm grateful  
Grateful for the pain that filled me  
I'm thankful  
Thankful for what didn't kill me  
We are one  
Falling like the rain  
Different and the same  
And always falling  
Grateful
